

Bricks will be placed around the flagpole, located in the front yard of the Military and First Responders Center. Our plan to surround the flagpole will create an inviting walkway in our future garden space, a setting for individuals to sit, relax, and reflect.

ABOUT

The Military and First Responders Center offers opportunities to connect with fellow military members and first responders through a number of programs and activities. Individualized and group programs are led by certified staff. Scheduled events throughout the year provide participants an opportunity to share and enjoy our facility with their family.

WALK OF HEROES

OUR STORY

Set on a serene horse farm, the Military and First Responders Center provides encouragement and assistance through several unique programs.

- **Equestrian activities** that provide unique experiences helping participants build trust and self-esteem, learn coping skills, gain new knowledge, and create positive social networks.
- Individualized **exercise programs** offered by a certified professional to support overall wellness.
- Regular **family activities** and kids' programs.
- Access to **professional counseling** services onsite in the relaxed pastoral setting of the farm.
- Use of the facilities for other wellness, support, and military or first responder-oriented activities.

All services are at no cost.

HELP PAVE THE WAY

This is a unique and affordable way to make an impact at our Military and First Responders Center. By purchasing a brick, you help us continue to provide free programming and activities, and to maintain a first-class facility.

"I'm part of a family of good friends and great horses. I've learned a lot about life and riding. I'm getting more balance and strength from the exercise program. I enjoy the camaraderie with the others who exercise when we are there."

- Jim, veteran, MFC participant

WALK OF HEROES

The MFC created the "Walk of Heroes" Brick Campaign to give veterans, active-duty military, first responders, and their families the opportunity to cement their legacy or to honor a hero. The bricks will serve as a reminder to all who visit of the dedication and service of those who put others first, at all cost.

We offer the following brick size option:

4x8 - allow 3 lines with 20 characters per line

4x8 with emblem - allow 3 lines, 14 characters per line

* **Please Note:**
spaces are included
in character count
